April 21 | Membership Vote | Following the worship service
 Members are asked to please remain after the service on **April 21** for a brief meeting and vote.

Walter W Brown School now serves grades 4-12 and needs more playground equipment for the younger children. The school is fundraising for this need and has approached our church for a donation. LEBC values community relationships and believes that it is part of our call to evangelism to support the kids in our community.

In response to the school's request, the Property & Finance Committee would like to use \$2000 from P&F Reserve Funds to support our community in this tangible way.

The use of reserve funds requires membership approval.

KADESH CORNER

WWW.CAMPKADESH.COM

This update is mostly one of asking for prayer. As you know, there is ongoing teacher work action that has escalated now to work to rule. This now becomes a big problem for Camp Kadesh and what we choose to do for our spring programs. Last year we had over 1200 students participate in school programs - but work action threatens to interfere with all school trips. The difficult part is that nothing is certain, and as a camp we need to also be ready with staff if the work to rule ends suddenly. Spring programs are an introduction to Christian camp for so many kids, we want to see our programs happen. Will you join with us in prayer? Pray God will intervene and help this work action to end and that we will get to run our spring programs.

We are committed to hiring our staff - we have offered them jobs and we believe that we need to honour that. We're not sure what will happen, but we will get creative, and we pray that God will help us to see what we need to do. Please pray for the creativity of our staff and that God will honour us striving to do what is right.

Trust in the Lord with all your heart,
and do not lean on your own understanding.
In all your ways acknowledge him,
and he will make straight your paths.
