## Membership Meeting | TODAY following the service

Walter W Brown School now serves grades 4-12 and needs more playground equipment for the younger children. The school is fundraising for this need and has approached our church for a donation. LEBC values community relationships and believes that it is part of our call to evangelism to support the kids in our community.

In response to the school's request, the Property & Finance Committee would like to use \$2000 from P&F Reserve Funds to support our community in this tangible way.

The use of reserve funds requires membership approval.

### KADESH CORNER

A quick reminder that we will be holding a work day on May 11th. Next week we will have a link to a list of jobs that we are hoping to accomplish on that day. Some churches have posted signups, feel free to talk to the board member(s) from your church about more details.
